Libby the Ladybug Writing Prompts

If you were a ladybug without spots, how would you try and earn them?

Write about a time in your life that you are proud of.

Write about a time in your life that you were helpful to someone else.

Write about a time in your life that someone did something helpful for you.

Libby the Ladybug Discussion Questions

What was the problem in this story?

How did Libby try and solve her problem?

How can we show helpfulness in our classroom?

What does it mean to be helpful?

How can we show helpfulness at home?

Libby the Ladybug

Emotional Regulation Strategies

When I feel overwhelmed, I can take deep breaths.

When I feel sad, I can talk to a grownup about my feelings.

When I feel defeated or frustrated, I can find a place that makes me happy and keep trying my best.

When a problem occurs, I can "stop and think" about how I can be helpful in the moment.
